

Oakwood West Holidays List of our suppliers

SPLOSH PRODUCTS (<https://www.splosh.com/>)

Hand soap, Washing up liquid and Dishwasher tablets.

We are pleased to offer the use of these complimentary products in our self catering accommodation.

HERES WHY.....

- ✓ **They avoid single use plastics** cutting plastic waste by 90%.
When the refill pouches are returned they are upcycled into new products, then achieve zero plastic waste! ‘Don’t recycle, re-use and Refill’.
- ✓ **Splosh products are cruelty free, vegan friendly and septic tank safe** (We use a septic tank on site by the way). Their products and ingredients are never tested on animals.
- ✓ **Splosh products break down quickly and safely** when it travels back out into the environment.
- ✓ To **minimise CO2 emissions** we buy the product in a concentrated form (with very little water), as it is wasteful to transport water around in bottles.
- ✓ **Splosh are an incredibly efficient business based in Wales;** They use raw materials sourced from the U.K wherever possible, or mainland Europe. The raw material arrives at one end of the factory and Royal Mail collect finished goods from the other. So...No middleman, Minimal waste and No excess transport.

In November 2013 Splosh picked up a prestigious Green Apple Award at the House of Commons. This Europe-wide award recognises environmental best practice, officially making Splosh an award winning brand! <https://www.ethicalsuperstore.com/products/splosh/>
